Committee Members of the Month!

Smita Balaji, Caroline Kim - "Smita and Caroline both worked diligently with PwC for PDM. Their event focused on "Acing the Interview" and they were able to be very personable and professional through the planning and duration of the event. PDM could not have been such a hit without them!" ~Aly and Francesca, PDM co-coordinators

Shalini Kunapuli - "Shalini was on the EWI committee this past semester as a PR chair. She did a great job with the design for all our EWI materials, and went above and beyond to help us with final details as we approached the event!" ~Varsha and Meghna, EWI co-coordinators

Asena Yildiz - Asena has been an amazing committee member for us! She participated a lot during our meeting in which we paired the companies to the students, and really gave her opinions on each candidate. It really helped move the meeting along! She also was active and responsive in all of her duties assigned to her thus far. :) ~Cindy and Shanaaz, SAE co-coordinators
