EDUCATION

The charge of your generation

By current statistics:

Only 1 in 10 students from low-income communities will graduate from college.

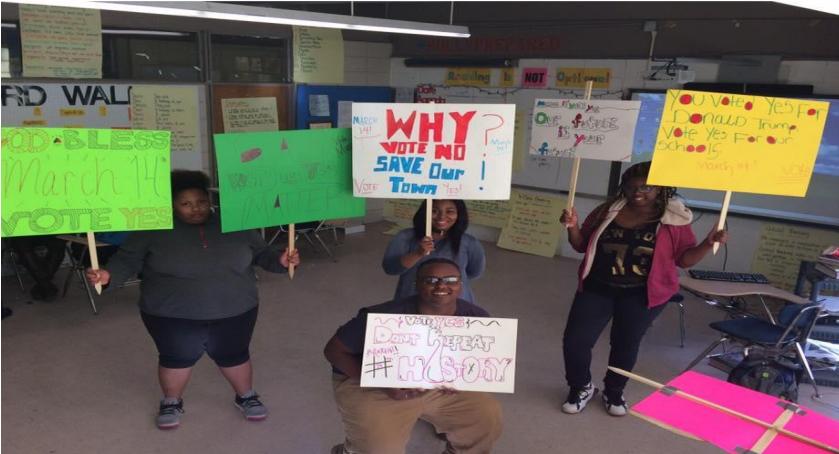

There are 16 million children living in poverty in America. 50% of them will drop-out of high school.

Of those who graduate, they will read on average at an 8th grade reading level.

Apply to be an officer!

Apply at <https://tinyurl.com/sweofficer18> by Friday,
November 17th (tomorrow!!!) , at NOON

Tonight's Craft: Chia pets!

Steps:

Tie a knot in bottom of
nylon

Place cardboard tube
in nylon

Fill nylon first with a
spoonful of grass
seed, then with dirt

Tie closed and cut off
excess

It should look like this
- remember which
side you put seed in!

You can pinch off
features... (ex. nose)

Tie any features off
with string

Pets take about a week to grow. Keep pets moist and give as much sun as possible!

Stay in Touch!
